

Styrolux® BATCHES

Styrene Butadiene Block Copolymer

INEOS Styrolution Group GmbH

Message:

Styrolux Batch NB 10 contains an extremely active wax system which should be added in amounts of 0,5 % to 2 % if sheet blocking problems are encountered with Styrolux or Styrolux/GPPS-blends. If the quantity added is too high, difficulties may occur during printing.

Please contact Styrolution for more information.

| General Information | |
