PS/PVDC/PE Film

Hangzhou Plastic Industry Co., Ltd.

Message:

PS serial composite sheet: this plastic has long history in use, its produce techniche is very perfect. It has high transparence, good rigidity, also be slippery, easy-colored. Meanwhile, it can prevent the moisture, and resist the chemical causticity. But it is a little fragile, and not heat-resistant. So, we put this material in outside, and we can print the product information on it, also it is good to prevent the moisture in and out, good to keep the product in a steady condition. Its surface looks very beautiful.

Application: For food packing, it can prevent the moisture and the oxidation.
