

# Aropol™ NLN 71800 INF

Thermoset Polyester

Ashland Performance Materials

Message:

- Infusion/RTM resins
- Resin Properties
- Class-A surface profile
- Superior dimensional stability
- Room temperature processing
- Cures white
- Fill large parts and maintain finish

| General Information          |                            |         |
|------------------------------|----------------------------|---------|
| Features                     | Good Dimensional Stability |         |
|                              | Good Surface Finish        |         |
| Processing Method            | Resin Transfer Molding     |         |
| Physical                     | Nominal Value              | Unit    |
| Solution Viscosity           | 135 to 155                 | mPa · s |
| Thermal                      | Nominal Value              | Unit    |
| Glass Transition Temperature | 182 to 204                 | °C      |
