

# Sylvin RP 29001 Grey 9573

Polyvinyl Chloride  
Sylvin Technologies Incorporated

Message:  
Sylvin RP 29001 Grey 9573 Is A Rigid Vinyl Compound Formulated With FDA Sanctioned Ingredients For Interior Molding Applications.

| General Information                  |                        |                   |             |
|--------------------------------------|------------------------|-------------------|-------------|
| Agency Ratings                       | FDA Unspecified Rating |                   |             |
| Appearance                           | Grey                   |                   |             |
| Processing Method                    | Injection Molding      |                   |             |
| Physical                             | Nominal Value          | Unit              | Test Method |
| Specific Gravity                     | 1.37                   | g/cm <sup>3</sup> | ASTM D792   |
| Hardness                             | Nominal Value          | Unit              | Test Method |
| Durometer Hardness (Shore D, 10 sec) | 76                     |                   | ASTM D2240  |
| Mechanical                           | Nominal Value          | Unit              | Test Method |
| Tensile Strength                     | 43.4                   | MPa               | ASTM D638   |
| Thermal                              | Nominal Value          | Unit              |             |
| Melting Temperature                  | 177 to 188             | °C                |             |
