

# Sylvin 2923-67LG Clear

Polyvinyl Chloride  
Sylvin Technologies Incorporated

Message:  
Sylvin 2923-67LG Clear Is A Non-Dop Vinyl Compound Formulated With FDA Sanctioned Ingredients For Extrusion Or Injection Molding Applications That Require A Frosted Apperance.

| General Information                  |                                |       |             |
|--------------------------------------|--------------------------------|-------|-------------|
| Agency Ratings                       | FDA Unspecified Rating         |       |             |
| Appearance                           | Clear/Transparent<br>Frost     |       |             |
| Processing Method                    | Extrusion<br>Injection Molding |       |             |
| Physical                             | Nominal Value                  | Unit  | Test Method |
| Specific Gravity                     | 1.18                           | g/cm³ | ASTM D792   |
| Hardness                             | Nominal Value                  | Unit  | Test Method |
| Durometer Hardness (Shore A, 10 sec) | 67                             |       | ASTM D2240  |
| Mechanical                           | Nominal Value                  | Unit  | Test Method |
| Tensile Strength                     | 13.1                           | MPa   | ASTM D638   |
| Tensile Elongation (Break)           | 400                            | %     | ASTM D638   |
| Elastomers                           | Nominal Value                  | Unit  | Test Method |
| Tear Strength                        | 48.2                           | kN/m  | ASTM D624   |
| Thermal                              | Nominal Value                  | Unit  |             |
| Melting Temperature                  | 157 to 168                     | °C    |             |
