

Silmar® SIL95BA-40

Thermoset Polyester

Interplastic Corporation

Message:

We offer hundreds of specially designed resins that integrate easily into your production requirements - delivering superior results and meeting current environmental standards.

SIL95BA-40 is a polyester resin specially formulated to produce transparent castings. It cures quickly and evenly at ambient temperatures, for an excellent surface finish with high luster and sparkle. It's an excellent choice for clear castings with artistic embedments.
