# NEXUS Reprocessed Nylon 6 G33 RBK

## Polyamide 6

Nexus Resin Group, LLC.

#### Message:

Glass filled, injection grade, nylon 6 Black Reprocessed Pellets

| General Information               |                                  |       |             |
|-----------------------------------|----------------------------------|-------|-------------|
| Filler / Reinforcement            | Glass Fiber,33% Filler by Weight |       |             |
| Recycled Content                  | Yes                              |       |             |
| Appearance                        | Black                            |       |             |
| Forms                             | Pellets, Reprocessed             |       |             |
| Processing Method                 | Injection Molding                |       |             |
| Physical                          | Nominal Value                    | Unit  | Test Method |
| Specific Gravity                  | 1.38                             | g/cm³ | ASTM D792   |
| Ash Content                       | 29 to 34                         | %     | ASTM D5630  |
| Mechanical                        | Nominal Value                    | Unit  | Test Method |
| Tensile Strength (Yield)          | 124                              | MPa   | ASTM D638   |
| Flexural Modulus                  | 6210                             | MPa   | ASTM D790   |
| Impact                            | Nominal Value                    | Unit  | Test Method |
| Notched Izod Impact               | 80                               | J/m   | ASTM D256   |
| Thermal                           | Nominal Value                    | Unit  | Test Method |
| Deflection Temperature Under Load |                                  |       | ASTM D648   |
| 0.45 MPa, Unannealed              | 98.9                             | °C    |             |
| 1.8 MPa, Unannealed               | 93.3                             | °C    |             |
