# Alpha PVC 2222C-75 CLEAR 0003

### Polyvinyl Chloride

#### AlphaGary

#### Message:

2222C-75 CLEAR 0003 is produced from FDA sanctioned ingredients. The ease of processing has made 2222C-75 CLEAR 0003 a widely accepted compound for the extrusion of non-toxic tubing such as required for medical, beverage, and industrial applications. Fast fluxing of this compound at desirable operating temperatures attributes to consistency in flow and sizing of small and large OD tubing.
