# Braskem PP F006EC2

### Polypropylene Homopolymer

Braskem America Inc.

#### Message:

Sub-group

Homopolymer

Description

Enhanced long term heat aging

General Information

**Applications** 

Suggested uses include compounding, blow molding, profiles, flat sheet, corrugated sheet, pressed slabs, pressurized radiator surge tanks

| Features   | Food Contact Acceptable    |          |             |
|--|----------------------------|----------|-------------|
|  | Good Heat Aging Resistance |          |             |
|  | Homopolymer                |          |             |
|  |                            |          |             |
| Uses   | Corrugated Sheet           |          |             |
|  | Pressed Slabs              |          |             |
|  | Profiles                   |          |             |
|  | Sheet                      |          |             |
|  | Tanks                      |          |             |
|  |                            |          |             |
| Agency Ratings   | FDA 21 CFR 177.1520        |          |             |
| Forms  | Pellets                    |          |             |
| Processing Method  | Blow Molding               |          |             |
|  | Compounding                |          |             |
|  | Profile Extrusion          |          |             |
