## RTP 402

## General Purpose Polystyrene RTP Company

Message:

Glass Fiber

| General Information                                        |                                  |       |             |
|------------------------------------------------------------|----------------------------------|-------|-------------|
| Filler / Reinforcement                                     | Glass Fiber,15% Filler by Weight |       |             |
| RoHS Compliance                                            | Contact Manufacturer             |       |             |
| Processing Method                                          | Injection Molding                |       |             |
| Physical                                                   | Nominal Value                    | Unit  | Test Method |
| Specific Gravity                                           | 1.15                             | g/cm³ | ASTM D792   |
| Molding Shrinkage - Flow (3.20 mm)                         | 0.10 to 0.40                     | %     | ASTM D955   |
| Mechanical                                                 | Nominal Value                    | Unit  | Test Method |
| Tensile Modulus                                            | 5520                             | MPa   | ASTM D638   |
| Tensile Strength                                           | 62.1                             | МРа   | ASTM D638   |
| Tensile Elongation (Yield)                                 | 1.5 to 2.5                       | %     | ASTM D638   |
| Flexural Modulus                                           | 5170                             | МРа   | ASTM D790   |
| Flexural Strength                                          | 103                              | МРа   | ASTM D790   |
| Impact                                                     | Nominal Value                    | Unit  | Test Method |
| Notched Izod Impact (3.20 mm)                              | 48                               | J/m   | ASTM D256   |
| Unnotched Izod Impact (3.20 mm)                            | 190                              | J/m   | ASTM D4812  |
| Flammability                                               | Nominal Value                    |       | Test Method |
| Flame Rating (1.50 mm, ** Values per RTP Company testing.) | НВ                               |       | UL 94       |
| Additional Information                                     | Nominal Value                    | Unit  |             |
| Primary Additive                                           | 15                               | %     |             |
| Injection                                                  | Nominal Value                    | Unit  |             |
| Drying Temperature                                         | 82.2                             | °C    |             |
| Drying Time                                                | 2.0                              | hr    |             |
| Processing (Melt) Temp                                     | 210 to 249                       | °C    |             |
| Mold Temperature                                           | 37.8 to 65.6                     | °C    |             |
| Injection Pressure                                         | 68.9 to 103                      | MPa   |             |
