## POLYCOMPO PE 1020L

Linear Low Density Polyethylene POLYCOMPO Co.,Ltd.

## Message:

POLYCOMPO PE 1020L is a Linear Low Density Polyethylene product. It can be processed by blown film or cast film and is available in Asia Pacific. Typical application: Film. Primary characteristic: good sealability.

| General Information                            |                                  |          |                      |
